### CHEF ANGELA LYLE

You can see from our cooking class options that Angela likes to create an eclectic mix of food from across several countries. She also has a flare for putting her own twist on traditional dishes. In 1994, she and her husband opened 'Raven's Down Under' which featured their claim to fame, Outlaw Chili. This chili was awarded first place at state fair competitions. In 1995, it was served to the President of the United States at a Town Hall Meeting held in Billings, MT. At the Raven's Café, Angela serves daily lunch options and has recently started offering dinners to go.

*Classes are tentatively scheduled to be held in-person at the YAM in accordance with current safety protocols. This includes wearing a mask, social distancing, and taking temperatures. If necessary, based on state guidelines, we will shift online. Registered students would be contacted in advance. Check our website for the most current information.*
