## Response to the COVID-19 Environment

**At the YAM, we are being proactive in our response to the changing conditions of the COVID-19 environment. As a result, we are implementing the measures below until further notice. Thank you for your understanding and flexibility, as we all work together to stay well.**

**Limiting access.** Only 25 people are allowed in the YAM at any given time, in order to maintain group control and safe distancing measures.

**Masks/face coverings are required.** This is for your protection, as well as for the safety of other patrons and staff who are also in the building.

**Social distancing rules apply.** Maintain a safe distance (six feet minimum) from others. If you come in a small group, your group may stay together. We are providing markings on the floors to help guide you through the YAM, while also reminding you of safe distances.

**Scheduling your time.** We ask that everyone schedule their visit to the YAM by calling 406.256.6804. We request that you schedule your time to visit the YAM in one-hour time slots, and if you cannot make your appointment, please reschedule.

**We need your information.** We are requesting that you provide the name, phone number, and email address for yourself and for each of your guests. If you become ill within 48 hours after your visit to the YAM, please notify us so we can alert others, if necessary.

**Cleaning.** We will complete additional cleaning daily, including the disinfectant of high-touch surfaces.

**Be well.** If you have a fever, cough, runny nose, etc., please stay home. You will be able to reschedule your visit. Any guests who arrive at the YAM with symptoms will be requested to leave.
